GENETIC RESEARCH CHECKLIST

(This Checklist need not be submitted when submitting application)

ADDITIONAL CHECKLIST FOR RESEARCH PROJECTS INVOLVING GENETIC TESTS

	Element		
		Yes	No
1	Does the trial carry significant psychological and/or social risks?		
2	Does the trial carry risks to insurability?		
3	Does the trial carry risks to family life? <i>(e.g.: incidental generation of information about paternity)</i>		
4	Does the trial carry risks to life plans? <i>(e.g.: from discovery of previously unknown but possibly stigmatizing conditions)</i>		

Note: If you answered 'Yes' to any of these questions, please clearly delineate the risks in the proposal or protocol, and address how you will seek to minimize them.
